Online secrets? Tell someone.

If someone in a game or chat asks you to keep a secret, you can tell an adult.

1. **You can leave the chat.**
   You don’t have to reply.

2. **Tell an adult you trust.**
   Try a teacher, parent or carer.

3. **Keep asking for help.**
   If the first adult can’t help, tell another.

It’s always OK to ask for help.
